Abstract

Sulfikram, 2024. "The strategy of Islamic Religious Education teachers to increase students' learning interest in participating in Islamic spiritual extracurricular activities (Rohis) at SMAN 2 Palopo." Thesis of Islamic Religious Education Study Program Faculty of Tarbiyah and Teacher Training Science State Islamic Institute of Palopo. Guided by Baderiah and Makmur.

This thesis discusses the strategy of Islamic religious education teachers to increase students' learning interest in participating in Islamic spiritual extracurricular activities at SMAN 2 Palopo. Objectives: 1) to determine the extracurricular activities of Islamic spiritual (Rohis) in SMA Negeri 2 Palopo 2) to determine the strategies undertaken by teachers of Islamic Religious Education so that students are encouraged to follow the activities of Islamic spiritual religious guidance (Rohis) in SMA Negeri 2 Palopo 3) to determine the supporting and inhibiting factors in conducting religious guidance activities through Islamic spiritual activities (Rohis) in SMA Negeri 2 Palopo. The type of research used in this study is a type of field research (field research) with qualitative descriptive method. Data collection techniques using observation, interviews and documentation. Analytical techniques used in data reduction, data presentation, conclusion. Checking the validity of the data used is triangulation. The results showed that: 1) as a very helpful tool in moral development, adding Islamic insight to students outside the compulsory learning process at school by carrying out activities that focus on religion, such as the inauguration of new members of the Islamic spiritual extracurricular, dakwah training, tahfidz, tahsin learning and study every week 2) strategies undertaken by Islamic Religious Education teachers at SMA Negeri 2, be an example for students such as making teachers a good example in the school environment, read the Our'an such as learning tahsin, tahfiz juz 30, and involve students in religious activities such as participating in Islamic spiritual weekly study activities held at school to increase students ' religious insight 3) supporting factors and inhibiting factors faced by Islamic spiritual extracurriculars in religious coaching students at SMA Negeri 2 Palopo, the lack of teachers involved in the spiritual Islam, and the time factor.

Keywords: Teachers PAI strategy, interest, spiritual Islam
