Dear Andi Tenrisanna Syam, Dewi Furwana:

We have reached a decision regarding your submission to **Dinamika Ilmu**, "The 4-D Model on the Development of English Learning Materials for Islamic Education Learners".

Our decision is to: Revision Required

Reviewers' Comments:

This article on "The 4-D Model on the Development of English Learning Materials for Islamic Education Learners" is very interesting and fits to the aim and focus of the **journal**. Some suggestions are given to improve the quality of the article.

Introduction: Please add more relevant studies to strengthen the gaps of the study.

Literature Review: State your own thought before referencing the contents.

Literature Review: Synthesize the contents of the literature you've reviewed.

Findings: The data findings can be enriched by presenting some very important numerical data in forms of graphs.

Discussion: Please develop the discussion by comparing and contrasting the findings to many more relevant studies and to the existing theories to propose the research novelty.

References: Some references are written inconsistently. Please write them referring to APA 7th edition Style.

References: It is strongly recommended using a reference manager.

References: Add some more references from reputable **journal** articles.
