

ABSTRACT

Andi Ananda Tasya, 2024, *“Developing English Material Students’ E-Worksheet Through Liveworksheets.com For The Tenth Grade Of SMAN 3 Palopo”*. A thesis on the English Language Education Research Program of Tarbiyah and Teacher Training Faculty of State Islamic Institute Palopo, supervised by Sahraini and Andi Tenrisanna Syam.

This research aimed to develop the appropriate English material in students' e-worksheets through liveworksheets.com for the tenth-grade students at SMAN 3 Palopo. The research questions for this research are "(1) What is the need analysis of the English material students' e-worksheet for the tenth-grade students at SMAN 3 Palopo? (2) How to develop an appropriate English material students' e-worksheet through Liveworksheets.com for the tenth-grade students at SMAN 3 Palopo? (3) What is the evaluation for the English material students' e-worksheet for the tenth-grade students at SMAN 3 Palopo?". Based on the description the research objectives are (1) to find out the need analysis of the English material students' e-worksheet for the tenth-grade students at SMAN 3 Palopo; (2) to develop an appropriate English material students' e-worksheet for the tenth-grade students at SMAN 3 Palopo; (3) to find out the evaluation for the English material students' e-worksheet for the tenth-grade students at SMAN 3 Palopo. The researcher applied Research and Development by adopting the ADDIE model. The researcher collected data through interviews, questionnaires, and expert validation. Furthermore, the results of this research are (1) data analysis findings show that students need e-worksheet media because they can be used as learning media in any place. The students have a lack of pronunciation and lack of vocabulary, and their English level is still Basic. The students want a topic of self-introduction and also the wonderful of Indonesia, want the vocabulary aspect in the e-worksheet, and want complete material with pictures and illustrations. (2) The appropriate students' e-worksheets through liveworksheets.com for the tenth-grade students at SMAN 3 Palopo covers: the e-worksheet material is designed with learning objectives tailored to the students' needs and syllabus; It includes grammatical items; Two material units: self-introduction and the Wonderful of Indonesia (descriptive text); The e-worksheet contains student-centered activities, which encourage communication in the target language and consider different learning styles; attractive layout and media. (3) Then, the evaluation of English material students' e-worksheet media fulfills the requirements as "Excellent". Based on all expert assessments, it scored 4.27 in the "Excellent" category. Apart from that, the average student perception scored 4.42 in the "Excellent" category, and the teacher's perception got the "Excellent" category with a score 4.87. As a result, this English language material is appropriate for tenth graders at SMAN 3 Palopo
